Issue Date
OCT 2006

Put this instructions in the glove box with the vehicle owner's manual.

PARTS LIST

Driver's side front floor mat

Passenger's side front floor mat

Rear floor mat

INSTALLATION

NOTE:

- Before installing, identify each floor mat.
- Remove the standard floor mats before installing these new floor mats.
- The floor mat anchors are required for the driver's side of the car; the anchor prevents the driver's side floor mat from sliding forward and interfering with the pedals.

1. Install the driver's side front floor mat by placing the two rings in the floor mat around the two anchors on the floor carpet.

2. Install the passenger's side front floor mat by placing the ring in the floor mat around one anchor on the floor carpet.
3. Install the rear floor mat by placing the two rings in the floor mat around the two anchors on the floor carpet.
